

HEART MATCH GAME DIRECTIONS

This activity was created by Anita Goodwin from [@goodwinnovate](https://www.instagram.com/goodwinnovate) for use with MAGNA-TILES microMAGS pieces.

Ideas for Play: One Player

Simple Matching Game:

Match the shapes and colors on the Heart Match page with the microMAGS tiles. Make sure no tiles are touching each other. Time yourself and try to beat your time.

Match and Stack:

Match the shapes and colors on the page. Stack the extra pieces on top until all the microMAGS are on the page. Time yourself and try to beat your time.

Ideas for Play: Two Player

Simple Matching Game:

Match the shapes and colors on the Heart Match page with the microMAGS tiles. Make sure no tiles are touching each other. First player to finish is the winner.

Match and Stack:

Match the shapes and colors on the page. Stack the extra pieces on top until all the microMAGS are on the page. First player to finish is the winner.

Roll and Match:

Take turns rolling one die. Cover the empty spaces for the number you rolled. The first player to cover their page is the winner.

No Hands:

Use standard-sized MAGNA-TILES pieces to place and move the microMAGS to the correct shape and color. No hands allowed to touch the microMAGS. See who can cover their page first!
